Dear Paula,

On behalf of the many families served by NorthPoint's Community Food Shelf we'd like to thank you and members of Bryn Mawr Presbyterian Church for your participation in our March Food Drive campaign for 2017. Thank you again for also directing both your cash and food donations to NorthPoint. That really has made a difference. The church's donation of \$1,045 and 105 pounds of food helped us to have one of our most successful drives ever! **Thank You.**

As you are probably aware, many needy families and individuals in our community go without proper food, shelter and essential medical care every day due to a variety of factors including low wages, job loss, injuries, illness and other "life" factors. NorthPoint's programs that address hunger in the community continue to play a major role in our efforts to improve the community's health. While all of us are susceptible to hard times, children and the elderly are the most at risk, and they make up the largest number of clients we serve in our food shelf and through our mobile food program.

With your generous support we will be able to help many of these families and individuals not only to meet their basic need food but to work towards a brighter future by having access to many of the health and wellness programs we offer at NorthPoint.

Again, **thank you** for the church's donation and for participating in this annual event with us. Please share our appreciation with all the members of the congregation and let them know their support truly makes a difference in the lives of families that we serve. Please also know that anyone that interested in visiting our food shelf or our mobile food vehicle is more than welcome come.

Sincerely,

Patrick C. Wilson
